ABOUT BALL

- Headquartered in West Chicago, IL, Ball is a family-owned business and a world leader in plant development.
- We began as a wholesale fresh-flower operation started by George J. Ball in 1905. Ball is now a leader in all facets of horticulture.
- Ball is global! We have a strong presence on six continents in 20 countries for Plant Breeding, R&D, Production, and Distribution.

The Garden is Multi-Purpose

MIXING HERBS & WAVE PETUNIAS

Wave[®] Petunias

www.wavegardening.com

- Mix your flowers and herbs together to save space and make a multi-functional planter.
- Start with a tiered fruit stand, line it with coco liner cut to fit inside each bowl space, and then add soil and plants.
- Hang this as a basket or decorate a patio or table for a beautiful addition wherever you garden.

Bold & Colorful Outdoors

BEACON IMPATIENS

Beacon[®] Impatiens

www.beaconimpatiens.com

- Brighten any shady space and elevate the mood with colorful, low maintenance flowers.
- Available in bright, bold colors with high disease resistance to Impatiens downy mildew, a disease that has caused plant loss in recent years.
- Your purchase makes a difference! Each year, Beacon Impatiens donates a percentage of its global sales to lesser-known charitable organizations. We're fighting low vision in 2022!

BEES, BUTTERFLIES & HUMMINGBIRDS

Pollinator Friendly

- Honey Bees, Butterflies and Birds help keep flowers blooming and vegetables growing.
- Invite them to your outdoor oasis for a little snack or resting space. It adds interest to your garden, too.
- Choose nectar-rich plants in the colors they love!
